

LIMITED WARRANTY

Products & Coverage

Dixie Home warrants that its TRUCOR flooring will be free from manufacturing defects and, under normal use and maintenance, will not Wear, Fade or Stain resulting in loss of original pattern and color, and the structural integrity of the flooring itself will not be materially impaired by Water Damage as hereafter defined, for the following period of time from the date of purchase: Lifetime* Residential / 15 Year Commercial. This Limited Warranty only applies provided the flooring covered by this warranty is installed and maintained according to the TruCor Installation Manual.

*The terms of this Limited Warranty will apply for the lifetime of the flooring products, subject to normal residential use.

Pet Proof

Dixie Home warrants that TRUCOR flooring will resist staining caused by domestic pets (cats or dogs), including urine, feces, and vomit. Stain resistance means the ability of TRUCOR to resist (minimize or withstand) permanent stains for the duration of the residential warranty period, so long as the original, resident homeowner maintains ownership of the flooring during that period (i.e. coverage is non-transferable).

Cleaning of the affected area should begin immediately upon discovery, as any stain becomes more difficult to remove the longer it remains on TRUCOR flooring.

Pre-Installation

Dixie Home warrants that its flooring is free of visual defects. You and/or your installer should carefully inspect each piece before installation. Any pieces that appear to have defects should not be installed. Dixie Home will not be responsible for any claim for flooring installed with visual defects.

Installation

This Limited Warranty covers materials and fair market-value labor if professional installation was paid for when the flooring was originally installed, provided that such flooring is installed according to the TRUCOR Installation Manual. This manual is revised periodically and floors must be installed according to the current manual at the time of installation. Please contact Dixie Home for the current manual.

Replacement/Repairs

Dixie Home reserves the right to repair any flooring and/or to use its own source to obtain an installer for replacement flooring. If Dixie Home repairs or replaces any flooring as a result of a warranty claim, you will be required to clear, at your own expense, any items placed over the affected areas subsequent to the original installation. In the event that Dixie Home repairs or replaces any flooring covered under this Limited Warranty, this Limited Warranty shall remain in effect with respect to such flooring for a period limited to the remaining eligible duration of the original Limited Warranty.

Terms for Warranty

If a defect covered by this Limited Warranty is found within the warranty period and reported in writing to the merchant from which the flooring was purchased, Dixie Home will supply new flooring material of similar color, pattern and quality to replace the defective area. Dixie Home will also pay fair market-value labor if professional installation was paid for when the flooring was originally installed. Labor costs will not be covered if professional installation was not paid for when the flooring was originally installed.

In case of questions regarding the terms of this Limited Warranty, contact Dixie Home at 706-876-5832. Dixie Home reserves the right to inspect any flooring, request samples, secure photographs or any other information as may be required to ascertain the nature of any claim under this Limited Warranty.
